Celebration Garden

Celebrating Life's Seasons

A garden is like all of us—growing, changing, learning, surviving, thriving—embracing and celebrating the joys and sorrows of life.

We invite you to be a part of this new Celebration Garden by purchasing an engraved brick for our front patio. Bricks may celebrate life with inspiring messages, thoughts of friends or family, tributes to lost loved ones, folk wisdom, philosophies, milestones, etc. as long as it fits the space available.

Please visit the celebration Garden at the front of the center and see the fountain which inspired the garden and is a memorial to Alissa Cargill. The stone bench is in memory of Barbara Sjostrom.

Yes! I would like to celebrate life and the new garden by purchasing a brick for $50. All bricks are 4 x 8" and will accommodate three lines of 14 characters each; spaces and punctuation count also. Please fill in the following form:
